Book Lovers Luncheon 2021

Boxed lunch pick-up at Nassau Presbyterian Church
61 Nassau Street
(opposite Palmer Square)
Thursday, April 29, 2020
9:30AM-10:30AM

Pick-up instructions

We will be handing out over 100 lunches on Thursday morning! Please allow sufficient time for pickup and please be patient as we work as quickly as we can. There will be members of the Friends Council on hand to assist. Our helpers will be wearing face masks as they hand you your lunch. Please wear a face mask over your entire nose and mouth and observe social distancing protocols if you are outside of your vehicle or on foot.

Picking up by car:
- Access the parking lot to the side and back of the church via the driveway from Nassau Street (to the right of the church building when facing the church; look for the red balloons!)
- Follow the traffic pattern making a U-shaped turn in the parking lot behind the church and allow Friends Council members to help direct you.
- Provide your name at the table and you can have your boxed lunch placed in your trunk (just pop your trunk open as you approach the head of the line) or handed to you through your open passenger side window.
- Carefully exit the driveway; please be mindful of pedestrians using the sidewalk along Nassau Street and the cross walk to the right of the driveway.

Picking up on foot:
If you are walking to the church to pick up your lunch, you can walk along the sidewalk in front of and around the church to the parking area, or if you are on the driveway, please be mindful of the cars lined up in the parking lot.

Thank you! Enjoy your lunch!
